ACTION PLAN OF ALUMNI FEEDBACK REPORT ON CURRICULUM (2025-26)

Based on the Alumni Feedback Report on Curriculum, here is a structured list of shortcomings and a corresponding action plan for the next academic session (2026-27):

Shortcomings Identified from Alumni Feedback (2025–26)

While the overall feedback is highly positive, the analysis highlights four key areas requiring focused attention:

1. **Limited Interdisciplinary and Multidisciplinary Exposure**
   - Only 35% of alumni reported significant interdisciplinary exposure, while 65% indicated it was available only to some extent.
2. **Insufficient Integration of Internships, Fieldwork, and Industry Exposure**
   - 30% of alumni either suggested improvement (20%) or felt that industry exposure was not adequately incorporated (10%).
3. **Need for Greater Integration of Emerging Trends and Industry Developments**
   - 40% of respondents rated the incorporation of latest advancements and industry trends as average or requiring improvement.
4. **Scope for Strengthening Real-World Professional Preparedness**
   - Although feedback was positive, 20% of alumni rated preparation for professional challenges as average, indicating a need for enhanced practical learning experiences.

Action Plan for Academic Session 2026–27

Focus Area	Action Steps	Assigned Responsibility	Timeline	Expected Outcome
Interdisciplinary and Multidisciplinary Learning	Organize interdisciplinary seminars, collaborative projects, multidisciplinary workshops, and cross-departmental learning activities. Encourage enrollment in SWAYAM, MOOCs, and value-added interdisciplinary courses.	IQAC, Heads of Departments, Faculty Members	Throughout the Academic Session 2026–27	Enhanced interdisciplinary exposure and broader academic perspectives among students.
Internships, Fieldwork, and	Strengthen internship	Placement Cell,	Throughout the Session	Improved practical

Industry Exposure	opportunities, field visits, industrial visits, community-based projects, and experiential learning activities. Establish additional collaborations with industries and organizations.	Departments, Internship Coordinators		exposure, workplace readiness, and industry engagement.
Integration of Emerging Trends and Industry Developments	Conduct workshops, expert lectures, webinars, and certificate courses on Artificial Intelligence, Data Analytics, Entrepreneurship, Sustainability, Digital Skills, and other emerging areas.	IQAC, Departments,	Minimum one activity per semester	Enhanced awareness of contemporary developments and improved curriculum relevance.
Industry-Academia Collaboration	Establish new MoUs with industries, research institutions, NGOs, and professional bodies. Facilitate alumni-industry interaction sessions and mentorship programmes.	Principal, IQAC, Placement Cell, Alumni Association	Throughout the Session	Stronger industry linkages and increased professional exposure for students.
Real-World Professional Preparedness	Integrate case studies, live projects, simulations, problem-solving exercises, and project-based learning into teaching-learning processes.	Departments, Faculty Members	Throughout the Session	Improved ability to address workplace challenges and apply theoretical knowledge in professional settings.

Innovation and Career Readiness	Organize innovation challenges, entrepreneurship programmes, career guidance sessions, aptitude training, resume-building workshops, and mock interviews.	Financial Lab cum incubation Centre, Career Guidance Cell, Placement Cell	Quarterly Activities	Enhanced employability skills, innovation mindset, and career preparedness.
