WORKSHOP ON “HTML & CSS WITH VS CODE” FOR SCHOOL STUDENTS

The Department of Computer Science organized a workshop titled “HTML & CSS WITH VS CODE” on September 30, 2023, at Government Girls Senior Secondary School, Lakkar Bazar, Shimla, from 10:00 AM to 3:00 PM. The workshop targeted XIth and XIIth standard students, aiming to introduce them to the basics of website creation, focusing on static and dynamic designs using HTML and CSS. Led by BCA VIth semester students, the session covered fundamental concepts of Hypertext Markup Language, the integration of CSS for enhanced aesthetics, and the development of interactive websites using Visual Studio Code. The event saw enthusiastic participation from over 28 students, who gained a hands-on understanding of the importance of backend coding in making websites functional and visually appealing. The interactive session provided a valuable platform for school students to explore the relevance of coding in modern technology, leaving a lasting impression and inspiring many to delve deeper into web development.
