RED RIBBON CLUB

Activities for the Session 2020-21

- ➢ In addition to AIDS awareness programmes, the club took an initiative to spread awareness on health issues like cancer and mental stress. On 7ᵗʰ November, 2020, the club organized essay and caption writing competitions on the theme "I Am and I Will".

- ➢ On1st December, 2021, the Club commemorated the World AIDS Day, by organizing a declamation contest and poster making competition on the theme- "Resilience".

- ➢ On 31ˢᵗ January , 2021, Himachal Pradesh AIDS Control society screened a short film for the students of the club on 'Combating the stigma related to HIV .

- ➢ On 6ᵗʰ March, 2021, the students of the club attended a seminar presented by ICTC Counsellor at Deen Dayal Upadhyay Hospital Shimla, presided over by Dr. Ashok Chauhan (DAPO). The seminar aimed at spreading awareness amongst the youth about HIV/AIDS and how it can be prevented from spreading. The seminar emphasized on the fact that the young generation should play a responsible role and should come forward and suggest ways to stop HIV related stigma and discrimination towards PLHIV (Patient living with human immunodeficiency viruses).
