

### **Departmental Activities (2016-2017)**

The major landmarks achieved by the Department of Psychology during 2016 to 2017 are listed below:

- A new scheme and syllabus for Choice-Based Credit System in B.A. Psychology was implemented from the session 2016-2017 onwards.
- Students were encouraged to undertake research initiatives and prepare presentations.
- Students presented their research papers in a conference at HPU.
- Students of NSS interacted with Psychology Faculty following a talk to them.
- A workshop was conducted at SAMETI (State Agricultural Management and Training Institute, Mashobra) to deliver a lecture on “Stress Management and Work.”
- Added the latest books as well as research journals for the benefit of students to the College library.
- The faculty was appointed as paper setters for the undergraduate examination (Hons/Pass Course) conducted by Himachal Pradesh University, Summer Hill Shimla.
- The faculty conducted practical and viva-voce examinations for the undergraduate students of Psychology of the College.
- The faculty was appointed as an evaluator for synopsis/project proposals submitted to IGNOU (MAPC).

*Department of Psychology  
St. Bede's College, Shimla*

- Students were motivated to develop the art of public speaking as well as organizational skills as well as organizational skills by organizing the College Department Assembly. Students of Psychology conducted an Assembly for the entire College wherein they discussed how one's daily learning could benefit by inculcating strong beliefs within oneself that one is efficacious which is a huge help in overcoming one's shortcomings.
