

Student Progression

Undergraduate programs help students gain basic knowledge in a major, or even in a few minor subjects. Students have to study a variety of courses and decide for their future.

Many students take a break after their undergraduate degree and decide to work or travel instead. Majority of our students, especially Honours students, decidedly go for their Masters in English.

- Vrinda Sharma (2016-19) is at IEFL, Hyderabad.
- Sumedha Aggarwal batch(2016-19) is at TISS Mumbai
- Amisha Chauhan batch 2016-2019) M.A at JNU, Delhi
