St. Bede's College, Shimla*

DISASTER MANAGEMENT CELL REPORT 2016-17

- 1) On 19th September 2016 an environmental talk was held on Environmental degradation and its impact on Himalayan Flora. Dr. Vineet Jistu, subject expert was the guest and he also evaluated the inter ship slogan and poster making competition which was held on the same day.
- 2) Disaster Management Cell in collaboration with the Fire Department, Shimla, organised a safety drill on 6th October, 2016. The members of the fire department demonstrated the use of fire extinguishers and also, trained the students in handling the fire safety equipment. The college is also equipped with the alarm system which enables college administration, students, staff, and everyone else to take timely action to reduce their risks in advance of hazardous events.
