1. RESTRICTED ENTRY OF AUTOMOBILES

Vehicular entry into the college campus is restricted. Only the staff members are allowed to enter and park their vehicles within the college premises. The college extends pass facility to its students, so as to encourage more and more use of the public transport. The college security guard at the main gate maintains a register in which all the details have to be provided by the parents, guardians and the visitors while entering the college campus.

2. PEDESTRIAN FRIENDLY PATHWAYS

St. Bede's college is located in hilly terrain of Shimla nearly 7300 ft. above sea level. Due to its location, the college has taken utmost care in constructing pedestrian friendly paths and also the staircases have railings which facilitates smooth movement specially during the snow in winters. The road in the college campus enables the students to move at ease.

3. BAN ON USE OF PLASTIC

The use of polythene is strictly prohibited on the campus. Various activities are initiated to create awareness among students and staff members regarding hazards of use of plastic. The college discourages the students from using or carrying single use plastic to the college. Several activities are organised throughout the year to create awareness on harmful impact of plastic.

C. EBSE CAMP

From 12th-17th April 2021, PO Cadet Arundhati Chandel attended an online EBSE camp which was held between PHHPC and Gujarat directorate. She presented and delivered a PPT on the topic 'Ban single use plastic'.

4. LANDSCAPING WITH TREES AND PLANTS

The college takes pride of its beautiful campus covered with verdant forest of cedar, rhododendron and oak trees. The college has conserved it's green cover and it is proportionately much larger than the built up area. The college has drawn a detailed Taxonomy of the college flora so that the students, visitors and all stakeholders become familiar with varied names of trees and plant species. The college buildings are located amidst the lush green trees providing great ambience, fresh air and shade throughout the day.
