

Alumni Meet
St. Bede's College, Shimla

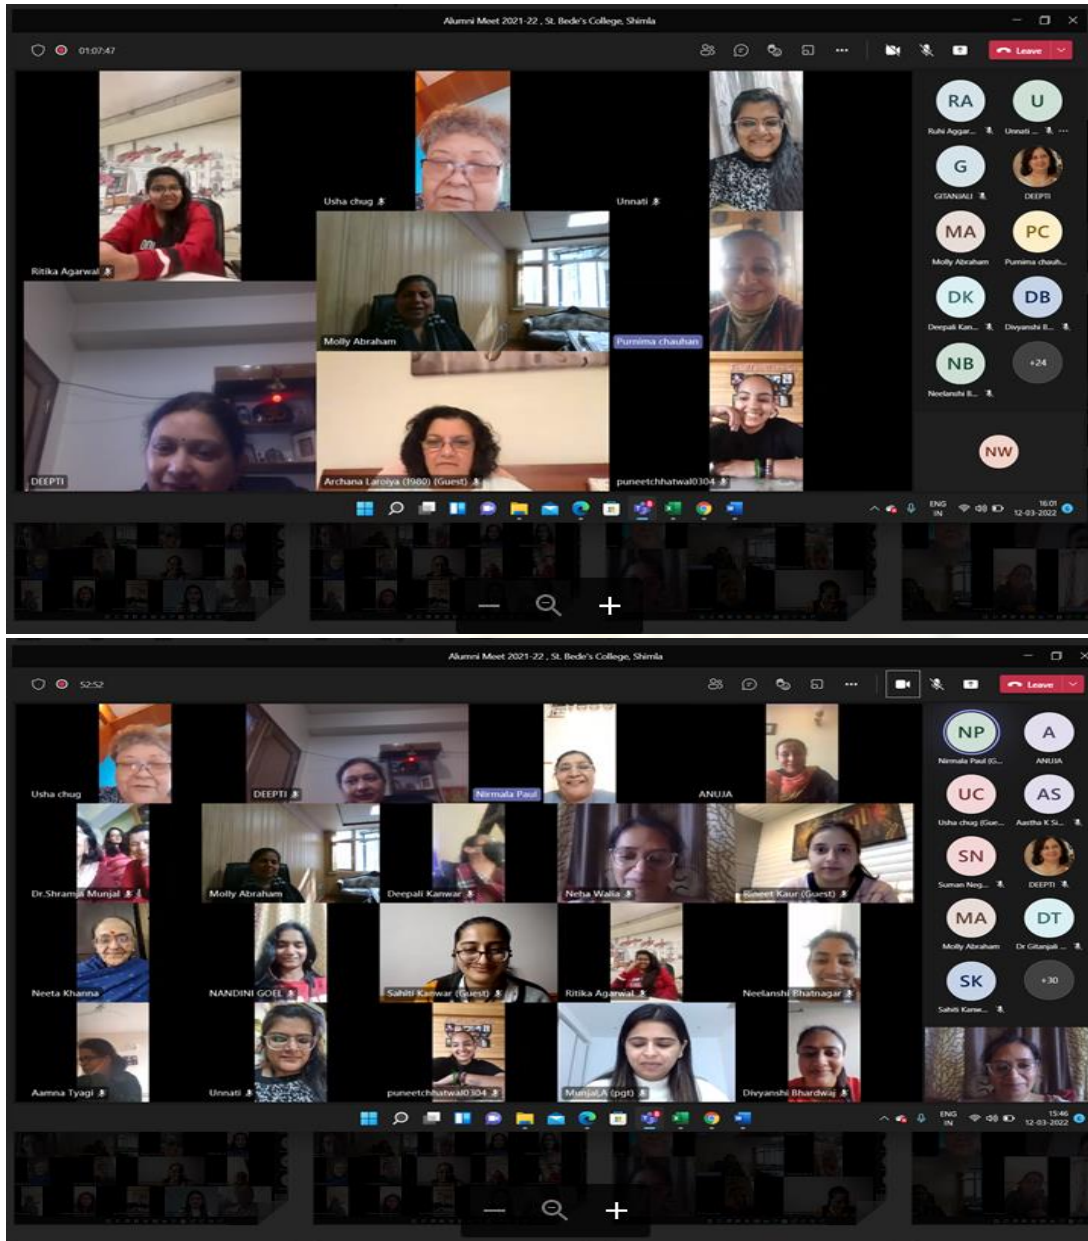

ONLINE ALUMNI MEET

An online meet of the alumni of St. Bede's College was organized on March 12, 2022. Its main purpose was to strengthen the Ex Bedeian-Association. This online meet was a great success. Many ex Bedeians from India, UK and USA enthusiastically joined in.

The two- hour long meeting started with a welcome address by Dr. Deepti Pajni, (Associate Professor Department of English). She emphasized on the importance of alumni meetings and reunions to strengthen the Ex Bedeian-Association. It was followed by an address by Prof. (Sr.) Molly Abraham, Principal of the college. She said that it fills her heart with pride to see distinguished alumni of St. Bede's college who have excelled in various fields, as their accomplishments and achievements are a source of great energy and inspiration to all. They came to the campus as seeds and then grew into flourishing green trees. She requested the alumni to give their inputs, suggestions and support from time to time for the benefit of their Alma Mater. The meeting was then opened for discussion. Several issues, such as elections for the posts of President, Vice President, Secretary, and Treasurer; setting a date for the annual alumni meet; registration of the ex Bedeians and their contribution towards college were discussed. The fruitful interaction included various inputs and suggestions by the alumni. The meeting came to an end after a vote of thanks, delivered by Dr. Deepti Pajni.
