कंप्यूटर

नहीं चाहिए मुझको ट्यूटर,
माँ मुझको ला दो कंप्यूटर,
कंप्यूटर में ज्ञान है सारा,
यह है सारे जग से न्यारा!
ये स्पेलिंग सिखाता है,
शब्दकोष इस में आता है
पूछो कोई भी सवाल तो,
गूगल भाई सुलझाता है।
गणित और विज्ञान सभी के,
मिनटों में ले आता उत्तर,
नहीं चाहिए मुझको ट्यूटर,
माँ मुझको ला दो कंप्यूटर ।

--नेहा ठाकुर

Shine

Life is something we all share,
Just like oxygen, in the air.
The way we live it, is up to us,
With a negative or with a plus.

Life is something, we should cherish,
We never know, when we'll perish.
Live each and every single day,
Smell the flowers, stop and play.

Life is something, we've been blessed,
Choice is yours, choose your quest.
Follow your passions, and you'll be fine,
With the right attitude, you will shine.

--Bhuvan Thakur

क्या लिखूँ

कॉलेज में मागज़ीने छप्प रही थी,
मिला मुझे समाचार कुछ लिख डालू,
आर्टिकल दो चार, कविता लिखूँ या कोई लेख,
इसी सोच में बैठी रही, सिर चुटने पर टेक,
बाद में तुक्का लगा डाला, और टूटे-फूटे शब्दों में
इस कविता को लिख डाला ।

Never Ending Dreams

Our dreams are never ending, they are not few,
So stop wasting time anymore, there is so much do.
Don't sit behind with folded hands any more,
Brand new opportunities are knocking your door.
Get up, walk outside and start moving towards your goals,
Don't be scared even if your pocket is filled with holes.
Even if your dreams are never ending, and ideas are few,
You do have the capability to make them come true.

--Kritika Thakur
