Research Promotion Cell

Dated: 11th October 2021

Minutes of Meeting.

A meeting of members of research promotion cell was held on 11.10.2021 at 11A.M. in physics department. Dr. Sapna Sharma welcomed the members of the cell. Members discussed and suggested that

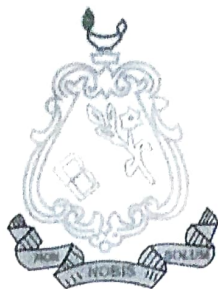

- Due to pandemic since there is a shift on online programs, teachers and students should be encouraged to enroll in online FDPs and MOOCs. The members agreed to post the relevant information regarding any conference/ seminar/workshop in the faculty Whats app Group.
- Dr. Sapna Sharma asked all the members to kindly circulate the message of Call for Papers for the college journal, *Journal of Research: The Bede Athenaeum*, so that good quality papers can be received from all over India and abroad.

Following members attended the meeting.
