Orientation Programme for Students 2021-22

Dated: September 3 2021

The college organized an online orientation programme for the newly admitted first year students on 3rd September to give an overview of college life and familiarize them with the social environment. The event started with the welcome speech by the Principal, Prof. Sr Molly Abraham, Principal who talked about importance of ethics and moral values in life and encouraged the students to imbibe a sense of commitment and responsibility for a strong character development. It was followed by a session conducted by staff advisors who briefed the students about the academic aspects of the courses, rules and regulations, various societies, clubs and cells of the college. Then the students were addressed by the NAAC coordinator who informed the students about the CBCS system, sub combinations of various subjects, GE and SEC courses, Core Courses, Compulsory Courses and about the mandatory seventy five percent attendance. The students were informed about the LMS, User IDs and passwords for online classes. They were asked to join the respective WhatsApp class groups for efficient and effective communication. Once the pandemic was over and the classes started in the offline mode, the third-year students of the college helped the first-year students to get acquainted with the college campus by dividing them into groups and giving them a college tour. The freshers' visited various labs, classrooms, common rooms, library, seminar hall, teaching blocks and the canteen of the college. The teachers' along with the third-year students made the first-year students aware about the strict anti- ragging policy of the college and also about the repercussions of the same.
