

Discipline Committee

Minutes of the meeting

A meeting of the Discipline Committee was held in the staff room at 1.00 p.m. on 9 August, 2019.

The committee discussed the following points

- how to handle student conduct issues
- appropriate disciplinary actions
- need for additional training for student council on conduct policies

It was decided that a verbal warning would be given for violating the college's code policy, leading to a suspension for disruptive behavior in class.

The committee also discussed the need for additional training for student council on conduct policies. It was agreed that the training would be provided to ensure that student council members were equipped with the knowledge and skills needed to handle student conduct issues appropriately.

There being no further business to discuss, the meeting ended at 1.30 p.m.
