## NATIONAL SEMINAR ON “BUILDING A RESILIENT FUTURE: INTEGRATING ENVIRONMENT, ECONOMY AND TECHNOLOGY”

The Department of Geography at St. Bede's College, Shimla organized a two-day national seminar on the 24th and 25th of March, 2023. The seminar's theme was "Building a Resilient Future: Integrating Environment, Economy, and Technology," which emphasized the need to combine the three pillars of sustainable development - Economy, Environment, and Society (Technology). The seminar brought together experts from various fields to discuss the latest developments in environmental protection and sustainable development. Its purpose was to provide a forum for researchers and stakeholders to exchange ideas and insights on this highly relevant theme. This report aims to summarize the speakers' key points and analyze the implications of the latest advancements in the field of sustainable development and environmental protection.
