IPR AWARENESS PROGRAMME

The Department of Biotechnology at St. Bede's College collaborated with The Patent Office, Kolkata under the Department for Promotion of Industry & Internal Trade (DPIIT), Ministry of Commerce & Industry, to conduct an online IPR awareness program on September 23, 2022.

Objective-The objective of the session was:

- to introduce the students to the basics of intellectual property rights and patent filing. • To provide knowledge of different forms of intellectual property protection and their key differences and similarities.
- To raise awareness about filing applications for patents and other IPR.

On September 23, 2022, an online Intellectual Property Rights (IPR) awareness program was conducted by the Department of Biotechnology at St. Bede's College, in association with The Patent Office in Kolkata under the Department for Promotion of Industry & Internal Trade (DPIIT), Ministry of Commerce & Industry.

The webinar was conducted by Shri Suman Sil, an Examiner of Patents & Designs (Gr. 'A' Gazetted) who engaged the students and faculty in an informative discussion about the importance of IPR and its various forms. The webinar was attended by students, faculty, and staff from the college, as well as from other colleges and institutions.

During the webinar, Shri Suman Sil provided an overview of IPR and its importance in today's world. He elaborated on the various forms of IPR protection, including patents, trademarks, copyrights, and trade secrets, and explained their key differences and similarities.

He also emphasized the need for proper documentation, filing, and maintenance of IPR, and shared some examples of how IPR can be used to protect and commercialize innovations and creative works.

Moreover, he discussed the procedures and requirements for filing applications for patents and other forms of IPR, and provided valuable insights into the legal and regulatory aspects of IPR.

The webinar was interactive, with students and faculty asking questions and sharing their views on various aspects of IPR. Shri Suman Sil provided detailed answers and shared his knowledge and experience, making the session informative and engaging for everyone.

Outcome- The online IPR awareness program was well-received by the students and faculty. They found the program insightful and informative, and it provided them with a better understanding of IPR and its significance in different fields. The program also enabled the students and faculty to realize the importance of protecting their intellectual property and the potential benefits of obtaining patents for their inventions.
