

Minutes of Meeting
Physics Department

Date: 20.07.2017

Time: 10.30 A.M

Location: Physics Department

Following members attended the meeting

1. Dr. Sanjeev Kumar 
2. Mr. V.K. Sanoria 
3. Dr. Sapna Sharma 

Agenda: Discussing and planning activities for the upcoming session

The primary focus of the meeting was to discuss and plan activities for the upcoming session 2017-18. Several ideas were discussed, including guest lectures, seminars, workshops, and field trips.

It was decided in the meeting that the following activities would be conducted in the department during the session:

- Guest lectures on any relevant topic of recent development in physics and its application
- Seminars on recent advancements in physics
- Workshops on experiments in physics
- A field trip to a nearby laboratory or research institute for a hands-on experience with advanced physics experiments

Dr. Sapna Sharma agreed to organize the guest lectures/ seminars/ workshop while Mr. V.K. Sanoria agreed to take the responsibility for arranging the field trip. Dr. Sanjeev said that the next meeting would be scheduled to review the progress of the planned activities. With this meeting came to end.
