The students were made aware of the importance casting their vote in the forthcoming May, 2019 Lok Sabha elections. The students were first addressed by Dr Rajeev Tegta who informed them about the types of forms available for the citizens in order to make a voter's ID card or have some changes in the existing one. The most important and significant form was the 6<sup>th</sup> form which was for the first time voters i.e the youth (people above 18 years of age or anybody making their voter's ID card for the first time). Then the importance of 7<sup>th</sup>, 8<sup>th</sup> and 8A forms was discussed. Dr Dileep Gautam instructed the students as to how to fill the 6<sup>th</sup> form in order to make a voter ID card. All the students were provided with a free sample of the form. This was followed by an interaction session in which a poster was displayed consisting of Hindi varnamala in which the alphabets were related to democracy and voting. In the end, the winners of the poster making competition for rewarded.
