E-GOVERNANCE POLICY

- Implementation of E-governance aims to establish an efficient, quick, and transparent system of governance within the institution for all academic and administrative activities.
- It also strives to achieve the objective of becoming eco-friendly by creating a paperless working mode.
- A Wi-Fi enabled campus makes the transfer of information quick and efficient, thus smoothing the functioning of the college.
- E-Governance in the classrooms helps in blended teaching-learning processes through smartboards, laptops, projectors, desktops, etc.
- E-Governance extends to the library and provides an efficient e-learning environment for teachers and students.

Scope:

- E-governance policy is applicable to all the employees of St. Bede's College, Shimla-Himachal Pradesh, affiliated with Himachal Pradesh University, Shimla. It allows all members to access academic and administrative support and services.
- The website is well-maintained and contains all the necessary information regarding Academics, Administration, Admission, Facilities, Library, Examination, College Journal and Magazine, as well as current events of the college.

Website:

- The website of the college showcases every activity of the college, including the management system and its mode of operation.
- A website committee will be established to oversee all updates in a timely manner so that individuals can access up-to-date information about the college.
- The college will also appoint an external service provider to make all the necessary changes and design the website.
- All important information pertaining to various aspects of college functioning can be found on the college website.

Admission:

- The college follows a transparent policy strictly adhering to the rules and regulations of Himachal Pradesh University, Shimla.
