FIVE DAYS FACULTY DEVELOPMENT PROGRAMME ON “ACADEMIC WRITING AND RESEARCH METHODOLOGY: MULTIDISCIPLINARY”

Department of computer science organized Five Day Faculty Development Programme on “Academic Writing and Research Methodology: Multidisciplinary” from December 26-30, 2023 in the seminar room from 10:00 AM – 4:00 PM.

Objectives:

The primary objective of the Faculty Development Programme is to provide a platform for the faculty to have deeper understanding of research and data analysis using various online open-source tools and its visualization which will help them in their research work. It typically aims to enhance the skills and knowledge of faculty members across various disciplines.

Outcomes:

Faculty members were equipped with the skills and knowledge needed to engage in high-quality multidisciplinary academic research and effective academic writing. They also understood the use of various open source softwares such as google colab, jupyter notebook, anaconda to name a few for data analysis and data visualization. The outcomes aimed to enhance the overall research productivity and impact of the participating faculty members.
