ONE DAY WORKSHOP ON “GRAPHICS DESIGN”

Department of computer science in association with Women Cell on the occasion of International Women’s Day organised one day workshop of on the topic “Graphic Design” on March 4, 2024 in the computer lab. Ms. Priyanka Vashisht, Team Lead UI/UX Design, Grazitti Interactive, Panchkula was the resource person. Guest speaker talked about the importance of Graphic Design in the field of information technology. She also gave hands on training on photoshop and illustrator softwares used for animations to the students. 30 students from BCA and BA Computer Applications participated in this workshop.

Objectives

- To provide participants with a basic understanding of what graphic design is and its importance in various industries.
- To teach participants the fundamental principles of design, such as color theory, typography, balance, contrast, and alignment and popular graphic design software, such as Adobe Photoshop, Illustrator, or free alternatives like Canva or GIMP.
- To provide participants with the opportunity to work on a real design project, such as creating a logo, poster, or social media graphic.

Outcome:

Students gained the foundational knowledge of graphic design, including its role in branding, marketing, and communication. Students learnt how to apply design principles to create visually appealing and effective graphics. Students become comfortable with basic tools and features of graphic design software, enabling them to start creating designs. Students gain practical experience by applying what they’ve learned to create their own designs. Students added insight into the graphic design industry and the steps they can take to pursue a career in this field.
