

Session-2024-2025

CAREER COUNSELING SEMINAR

Objective: To provide students with valuable insights and guidance on various career paths through an interactive doubt-clearing session.

Description: On August 29, 2024, the Financial Lab and Incubation Centre of the college organized a career counseling seminar for the students. Captain Kishore Singh Chauhan, the esteemed resource person for the event, delivered an insightful session. A distinguished veteran of the Indian Navy, Captain Chauhan has been honoured with the Governor's Award and the UNESCO Safe from Harm Award. During the seminar, he engaged with the students, discussing their future goals and providing guidance on various career paths. He presented opportunities in diverse fields such as business start-ups, film making, dress designing, acting and mimicry, content writing, and offered project opportunities to software teams. The seminar concluded with a doubt-clearing session, where students had the chance to ask questions and gain clarity about their future aspirations.

Outcome: This interactive segment proved invaluable, as it helped students better understand their career options and set clear goals for their professional journey. The event was well-received and provided a comprehensive overview of potential career paths, enriching the students' perspectives and aiding them in making informed decisions about their futures.

CRAFT EXHIBITION

Objective: The event aimed to foster creativity and encourage students to explore entrepreneurial ventures.

Description: The Financial Lab and Incubation Centre (FLIC) of the college successfully organized a Craft Exhibition on November 25, 2024, in the college courtyard. The exhibition featured a variety of handmade items created by the students, including scented candles, bookmarks, key rings, and phone charms. The students sold their crafted products, generating a total of Rs. 10,573, which was three times the amount of the seed money they had initially received. This achievement not only showcased the students' creative talents but also highlighted their potential in entrepreneurship. The exhibition was well-received by peers and faculty members, who appreciated the efforts and entrepreneurial spirit of the participants.

Outcome: The Craft Exhibition successfully demonstrated the students' creativity and entrepreneurial potential. The event was well-received by peers and faculty, fostering an appreciation for the students' efforts and highlighting their capabilities in both creativity and entrepreneurship.
