NOTICE

Ref. No. SBC/IQAC-16/2025

Date: February 19, 2025

Dear IQAC members,

This is to inform you that the IQAC meeting for the 2024-25 session is scheduled for **February 24, 2025** at 11:00 AM in the IQAC room.

Your valuable suggestions and feedback will be instrumental to the discussions. We kindly request your active participation during the meeting, which will be highly appreciated.

Agenda

1. Implementation of Outcome-Based Education (OBE)

- Assess the progress of OBE implementation across departments.
- Train faculty on designing outcome-based assessments and rubrics.

2. Integration of Digital Learning and Blended Teaching Strategies

- Evaluate the effectiveness of digital tools and learning management systems used by faculty.
- Encourage faculty to incorporate AI-driven educational tools for personalized learning.

3. Faculty Capacity Building and Development Programs

- Organize training workshops on advanced pedagogical techniques and research methodologies, professional ethics and human values.
- Encourage faculty to enroll in refresher courses and FDPs for continuous professional development.

4. Enhancing Student Research and Innovation Initiatives

- Establish student-led research clubs in assistance with Research and Development Cell and promote participation in national level research competitions.

- Develop a structured mechanism for students to publish research in indexed journals.
- Strengthen linkages with industries for research internships and innovation projects.

5. Strengthening Institutional Social Responsibility (ISR) Initiatives

- Expand the scope of student-led outreach programs in rural and underprivileged areas.
- Initiate environment sustainability projects like waste management, renewable energy use, and green campus initiatives.

6. Leveraging Alumni Expertise for Institutional Growth

- Develop structured mentorship programs where alumni guide students in career planning.
- Initiate alumni-supported scholarships for financially challenged students.
- Enhance alumni participation in academic and co-curricular activities through guest lectures and industry interactions.

7. Data-Driven Decision Making for Quality Enhancement

- Utilize analytics and feedback mechanisms for institutional planning and performance assessment.
- Implement AI-driven data analysis for student progression.

8. Open House for Stakeholder Feedback and Suggestions

- Identify key institutional gaps and areas requiring immediate improvement.
- Formulate an action plan based on stakeholder recommendations.
