### **ANALYSIS OF ALUMNI FEEDBACK ON CURRICULUM (2024-25)**

To evaluate the effectiveness and relevance of the curriculum, feedback was collected from alumni for the academic session 2024–25. The responses provided valuable insights into how well the curriculum aligns with professional and academic expectations.

1. A majority of alumni agreed that the curriculum was relevant to their current jobs or fields of study.
2. Most alumni felt that the curriculum effectively prepared them for real-world professional challenges.
3. A significant number of respondents believed the curriculum offered adequate exposure to interdisciplinary and multidisciplinary learning.
4. Alumni feedback indicates that the curriculum was highly effective in fostering communication and presentation skills, contributing significantly to their personal and professional development.
5. The majority of respondents expressed that the curriculum excellently developed leadership and teamwork abilities.
6. Alumni indicated that the curriculum significantly enhanced their critical thinking and problem-solving skills.

7. However, many alumni felt that there is room for improvement in integrating internships, fieldwork, and industry exposure into the academic framework.
8. Opinions regarding the incorporation of the latest advancements and industry trends were mixed, with most rating it as average.
9. Overall, the majority of alumni expressed satisfaction with their academic experience at St. Bede's College.
